

Boy Scouts of America Interactive Workshop

All scouts and their families are invited to attend an exciting, interactive workshop on Saturday, November 16 at the Whitman Expos Baltimore November Show at the Baltimore Convention Center.

Cub Scouts can earn the "Adventures in Coins" elective towards their Wolf rank advancement or BSA Scouts can complete most of the "Coin Collecting" merit badge requirements. The workshop will cover all 2024 requirements for the "Adventures in Coins" elective for Cub Scouting and requirements 1-3 and 5-7 for the BSA Scouts Coin Collecting merit badge.

Several free gifts will also be offered to scouts and their families to encourage their pursuit of coin collecting as a hobby.
